

## 4th Grade GVC's

(Guaranteed Viable Curriculum)

2017-2018

By the end of fourth grade, students will be able to:

- **Math-** Understand and apply knowledge of number sense and place value by solving grade level math problems accurately.
- **Writing-** Write 1-3 complete paragraphs in response to text, using evidence and examples.
- **Reading-** Read a fourth grade text with accuracy to build comprehension skills.
- **Science-** Classify, read, and comprehend meanings of vocabulary words related to science units.
