

DID YOU MISS BACK TO SCHOOL NIGHT??

(Here is what you missed!)

- The PTA is selling school shirts this year. There are two options: heather gray or a Dri-fit charcoal gray. The same design will be on both types of shirts. Spirit day is on Wednesdays, so when your child wears a school shirt or any shirt with school colors (green, yellow, black) they will receive a treat from the PTA.

- Join the PTA! Pay \$5.00 to join the PTA and give our students more educational opportunities. ***Free pizza party to class with highest amount of memberships.
- We are starting fluoride again this year. If you would like your student to participate in the fluoride program the cost is \$5.00 for weekly fluoride treatments throughout the school year.

Also, don't forget to join the Three Peaks Elementary School page on Facebook for updated information.
